MeshPower – Ceramic Self-Grip Sheets
Cut Sheets Selfgrip - Norton Meshpower Ceramic - 70x420mm Gr120

Artical Number: 69957325987

EAN:

SizeDerived: 70x420mm

Description

An alternative to traditional perforated paper sheets, Norton MeshPower is a multifunctional abrasive, designed with thousands of holes, created by the unique mesh matrix structure. This hole structure allows dust extraction in any application.

Features & Benefits

Mesh backing enables excellent dust extraction, for a cleaner working environment and less clean up time

No-fil® technology prevents clogging for longer product life

Self grip backing for a quick and easy sheet change

Self-grip backing for a quick and easy sheet change

No defined hole pattern, saves time and effort aligning holes, just apply, and go

No defined hole pattern for fast, easy alignment with the back-up pad
